## Introduction:

A comprehensive Legal assistance package provided by KILIÇ and Partners law firm Istanbul, for International & Locally based companies. Full due diligence and identification of the risks that arise from conducting any business activity in today's globalized environment and is an essential service to guarantee continued business success and financial protection.

## International Company Legal Risk Management Package

As an International Law firm, based in Istanbul we can offer a centrally based, highly qualified multinational legal team, multi-disciplined multilingual lawyers. We provide risk analysis, contract reviews, mediation and dispute resolution and to protect financial exposure. Our service is designed to give your company security and confidence in your business procedures, operations, contract application, and service, product delivery when operating cross border business in Turkey.

Our law firm and legal counsel draw upon a wealth of business experience, as well as legal knowledge to deliver, proactive client focused advice. We understand that accidents and mistakes can and will happen in business, but with our help training and Legal protection, we can prevent, limit and in many cases avoid any financial losses. We assess the company's financial, reputational, operational issues, contractual, employment and regulatory risks as a part of a full legal management strategy, based on Turkish and International law.

Depending on the nature of your business, we combine our Legal skills with a set of effective compliance programs. Our Team provide assistance with implementing successful corporate policies. To minimize possible risks now and in the future, to avoid any type of dispute or possible litigation. We support your company in conducting regular due diligence in co-operation with the key stakeholders and management teams. Analysing legal risks, provide training and making sure that the company fully complies with all the legal requirements for the markets in which they operate. Assessment and management of legal risk is at the heart of any efficient business and KILIÇ and Partners will provide both Turkish & international legal counsel to ensure your continued business success.
